The following must be received by the division before your application for Landscape Architect Registration by Exam can be reviewed:

1. APPLICATION

A completed application, signed and notarized (#08-4862, pages 1-6).

2. FEES

Fees made payable to "State of Alaska."

Nonrefundable Application Fee: \$200.00

Registration Fee: \$100.00

Total Fees Due: \$300.00

3. AUTHORIZATION FOR RELEASE OF RECORDS

A completed Authorization for Release of Records form (#08-4862b).

4. OFFICIAL TRANSCRIPTS

An applicant must provide satisfactory evidence that the applicant's education and work experience is equivalent to the requirements set out in the table in 12 AAC 36.068(a)(2). Transcripts must be submitted directly to the board by the school.

5. VERIFICATION OF WORK EXPERIENCE

A completed Verification of Work Experience form (#08-4862a) with job title, type of work and/or project(s), name and address of employer or supervisor, and list professional, subprofessional, or other experience by the number of months worked in those categories. Indicate number of months in each. Refer to the definitions in the regulations to distinguish between professional, subprofessional, and responsible charge work experience (12 AAC 36.990). In order for the applicant to receive full credit for work experience an applicant must gain experience while under the responsible control of a landscape architect registered in the United States.

For an applicant working in a location where there is no registered landscape architect available, a mentoring program may be used. The applicant must acquire experience by performing landscape architectural work while under the responsible control of someone who is a professional in another design discipline. Additionally, the applicant must complete a mentoring program involving meetings with a landscape architect registered in the United States. Refer to the special requirements for mentoring set out in 12 AAC 36.068(b)(2)(f-h).

6. COLD REGIONS DESIGN REQUIREMENT

All landscape architect applicants must successfully complete a Board-approved Cold Regions Design course (listed on the Board's website). You may submit your application prior to completion of the course to expedite the application process. (12 AAC 36.110(a))

The L.A.R.E. is administered by CLARB. After board approval contact CLARB to register for the exam (<http://www.clarb.org>).

Applications are processed according to the date received. The Board meets four times a year, usually in February, May, August, and November. Board meeting dates are posted on the Board's website.

Applications and supporting documents, (work experience verifications, official transcripts, and verification of registration and examination), and nonrefundable application fees must be received in the Juneau office 30 days before a scheduled board meeting.

Applicants will be notified via email of action taken by the Board as soon as possible, but not more than three weeks after the board meeting.

All documents received prior to receipt of application will be held up to one year and matched with an application upon receipt.

The applications are updated frequently. If you obtained this application other than directly from the Division or its official website the application may be outdated. Please check the website for the latest version.

A denial of an application for registration may be reported to any person, professional licensing board, federal, state, or local government agency, other entity making a relevant inquiry, or as may be required by law.

For the board to review an application for registration by examination the application, fees, and supporting documents must be received in the Juneau office no later than 30 days before the date of the appropriate board meeting. (The completed application must be notarized.) Check the board web site for meeting and exam dates.

It is your responsibility to be aware of licensing requirements and provide all necessary documentation.

The Board conducts a thorough evaluation of education, training, employment or work history, malpractice history and any criminal or disciplinary history. We recommend you do not make commitments for loans, practice start dates, home purchases, etc., based on the expectation of licensure. The Board will not accelerate one application over others, nor will it forego any elements of its screening process.

SEALING - 12 AAC 36.185(d): "The registrant shall include the date each time the registrant signs and seals a document by inserting the date within the seal or in a close proximity to the seal." The Board has defined "close proximity" as within two inches of the seal.

Corporations, LLCs, and LLPs practicing or offering to practice landscape architectural, architectural, engineering, or land surveying in Alaska must hold a business license as well as hold corporate, LLC, or LLP authorization with the Board of Registration for Architects, Engineers and Land Surveyors. In addition, corporations, LLCs and LLPs must also be registered with the Corporations section of the Division of Corporations, Business and Professional Licensing. For more information, you may contact the Division at (907) 465-2530; P.O. Box 110808, Juneau, Alaska 99811-0808; or access its internet home page at Corporations.Alaska.Gov

Exam and comity applicants must meet 12 AAC 36.050 for application filing deadlines. You may not schedule any exam until your application is approved by the board. If your application is incomplete at the time of the deadline or prior to a board meeting, your application will be held pending receipt of required documents up to 12 months and then your file will be considered abandoned. (See 12 AAC 02.910.)

SPECIAL EXAM NEEDS

Programs under the jurisdiction of the Division of Corporations, Business and Professional Licensing are administered in accordance with the Americans with Disabilities Act. If you require special accommodation when taking the examination, you must submit a written request for testing modifications to the board along with your application.

The applicant must have a licensed professional complete and submit directly to the board the "Application for Examination Accommodations for Candidates with Disabilities" form #08-4214, available from the Division web page: ProfessionalLicense.Alaska.Gov. The "Application for Examination Accommodations for Candidates with Disabilities" form will be submitted to CLARB to review for fairness, security, and psychometric impact.

RETAKING A FAILED EXAM

An applicant may apply for reexamination no more than four times within the five years after the date that the applicant filed the original application for examination. If the applicant has not passed the exam after five attempts or within the five years after first applying for the exam, the applicant will be required to submit a new application pursuant to 12 AAC 36.010.

General Information

APPLICATION PROCESSING:

The average time to process a paper application varies by program but can take several weeks from the date it is received in this office complete with all correct forms, supporting documents and appropriate fees paid. When the application is complete and correct, and all supporting documents have been received and all fees have been paid, the license will be issued. Start the process far enough in advance to allow for processing time. Applications are reviewed in order of receipt in our office, and walk-in customers should not expect immediate review.

LICENSE TERM:

There is no “inactive” status. If you choose not to renew your license, it will lapse. Licenses are issued for a two-year period and expire on December 31 of odd-numbered years, regardless of the date of issuance, except licenses issued within 90 days of the expiration date are issued to the next biennial expiration date. Renewal notices are provided at least 30 days prior to the expiration date on file, in accordance with AS 08.01.050. Failure to receive a renewal notice does not relieve a licensee from the responsibility of renewing a license on time.

PROFESSIONAL FITNESS QUESTIONS:

A “yes” response in the application does not mean your application will be denied. If you have responded “yes” to any professional fitness questions in the application, be sure to submit a signed and dated explanation, and the charging document and judgement.

DENIAL OF APPLICATION:

Please be aware that the denial of an application of licensure may be reported to any person, professional licensing board, federal, state, or local governmental agency, or other entity making a relevant inquiry or as may be required by law.

RANDOM AUDIT:

If your program requires continuing education, the Division will audit a percentage of the license renewals. If your license is randomly selected for audit, a letter will be sent with instructions to submit documentation as proof you satisfied the continuing competency requirements as stated on this renewal form. Licensees are randomly selected by computer and may be randomly selected as often as the computer program chooses. You must save your documents for at least four years so you can respond to audits.

ADDRESS OR NAME CHANGE:

In accordance with 12 AAC 02.900, it is the applicant's/licensee's responsibility to notify the Division, in writing, of changes of address or name. Name and address change notification forms are available on the Division's website. The address of record with the division will be used to send renewals and all other official notifications and correspondence. The name appearing on the license must be your current legal name.

CERTIFIED TRUE COPIES:

If any of the required documents will be issued under a former name, indicate on the application and submit marriage license and/or court documents that are notarized as a “certified true copy of the original document”. To obtain a certified true copy, you must present the notary with the original document along with the photocopy. You must write, “I certify this is a true copy of the original document” and sign your name. The notary will compare the original document with the copy and then notarize your signature.

SOCIAL SECURITY NUMBERS:

AS 08.01.060 and 08.01.100 require that a U.S. Social Security Number be on file with the division before a professional license is issued or renewed for an individual. If you do not have a U.S. Social Security Number, please complete the Request for Exemption from Social Security Number Requirement form (#08-4372) located at *ProfessionalLicense.Alaska.Gov* or contact the division for a copy of the form. This form is required with every application if you do not have a U.S. Social Security Number.

PUBLIC INFORMATION:

Please be aware that all information on the application form will be available to the public, unless required to be kept confidential by state or federal law. Information about current licensees, including mailing addresses, is available on the division's website at *ProfessionalLicense.Alaska.Gov* under License Search.

ABANDONED APPLICATIONS:

Under 12 AAC 02.910, an application is considered abandoned when 12 months have elapsed since correspondence was last received from or on behalf of the applicant. An abandoned application is denied without prejudice. At the time of abandonment, the division will send notification to the last known address of the applicant, who has 30 days to submit a written request for a refund of biennial license and other fees paid. The application fee will not be refunded. If no request for refund is received within that timeframe, no refund will be issued, and all fees will be forfeited.

BUSINESS LICENSES:

The status of a professional license will directly impact the status of an associated business license. Renewal applications for business licenses are mailed separately. For more information about business licenses, (907) 465-2550 or *BusinessLicense.Alaska.Gov*

STALE DOCUMENTS:

Application forms, authorizations and verifications older than 12 months from the date the document was received by the division will be considered stale; the document must be resubmitted as appropriate before the application will be considered by the division or a licensing board. Application documents include the application documents and verifications of licensure from other licensing jurisdictions. (12 AAC 02.915)

PAYMENT OF CHILD SUPPORT:

If the Alaska Child Support Enforcement Division has determined that you are in arrears on child support, you may be issued a nonrenewable temporary license valid for 150 days. Contact Child Support Services at (907) 269-6900 to resolve payment issues.

STATUTES AND REGULATIONS:

The complete set of statutes and regulations for this program are available by written request or online at the division's website: *ProfessionalLicense.Alaska.Gov*

If you would like to receive notice of all proposed regulation changes for your program, please send a request in writing with your name, preferred contact method (mail or email), and the specific program you want to be updated on to the address below.

- (1) **Responsible charge of work in the field** means the direction of work, the successful accomplishment of which rested upon the applicant, where the applicant has to decide questions of methods of execution and suitability of materials without relying upon advice or instructions from his superiors and where the applicant has to supply solutions to deficiencies in plans or has to correct errors in designs without first referring them to higher authority for approval, except where the approval is a matter of form.
- (2) **Responsible charge** as it pertains to “work in the office” means undertaking investigations or carrying out assignments that demand resourcefulness and originality, or making plans, writing specifications, and directing drafting and computations for the sign of architectural work with only rough sketches, general information, and field measurements for reference.
